Chesterfield

The Chesterfield's elegant two-story design contains 2,195 square feet of living space. An expansive living and dining room is highlighted by a cathedral ceiling, stunning fireplace and ornate windows. Beyond the dining room, a large gourmet kitchen includes a pantry closet.

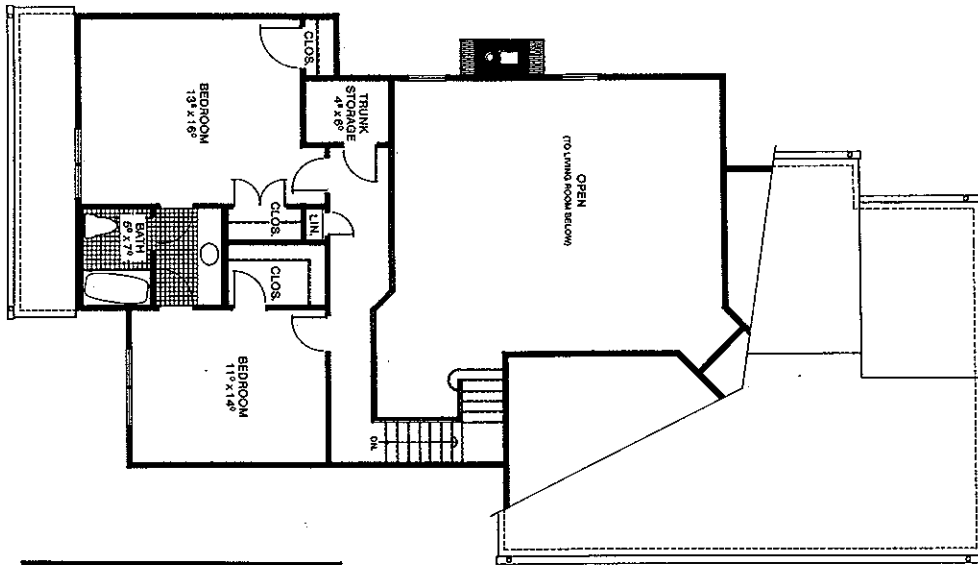

The opulent master bedroom suite includes a bathroom with platform tub, separate shower, double vanity, walk-in wardrobe and linen closet. Completing the first floor are a spacious foyer, powder room, laundry room and two-car garage.

The second floor gallery leads to two bedrooms which share a full bathroom. Generous walk-in, linen and storage closets are featured. The Chesterfield accommodates visiting families with ease.
