Weatherly

The Weatherly provides 2,370 square feet of gracious living space in a two-story design. A sunlit foyer featuring sidelights and a large transom window opens into a dramatic living/dining room with cathedral ceiling and fireplace. The gourmet kitchen behind the dining room includes a pantry closet.

An opulent master bedroom suite includes an elegant master bathroom with platform tub, separate shower, double vanity, walk-in wardrobe and linen closet. Completing the second floor are a den/bedroom, powder room and laundry room.

The second floor gallery leads to two additional bedrooms, two full baths, walk-in closets, linen closet and storage area. The Weatherly is ideal for entertaining visiting families.
